

The Ultimate ProductiveMuslim Goal Planner

For each of the six areas below (Islam, Personal, Family, Work, Community, Ummah) set yourself a 6 months goal, 1 year goal, 5 years goal, 10 years goal and 20 years goal. Then write in the last column how those goals link up to your Akhira. You may find that when you reach the Akhira column that you have to look back and change your 6months - 20 years goal, that's fine. This is what this worksheet is designed to do. It is designed to link your goals to your akhira so you can truly live a productive Muslim life!
